

Country Club of York

Welcome

Country Club of York

OUR MEMBERS EXPERIENCE HOME AWAY FROM HOME

Situated on 241 acres of land with an elevation of 646 feet and overlooking the most picturesque views of York County countryside, our Clubhouse consists of over 48,000 square feet of space and is built from native stone mined from the on-site quarries during the construction of the 1920s.

Originally, the Clubhouse was built to accommodate 250 members and their families. By 1961, the membership was well over 500, and in 1962, renovations were made to expand the footprint of the Clubhouse. In 2012, with a membership of over 700 families, it was time again for updating everything from the mechanical systems to the main dining areas and Club décor along with the additions of a Platform Viewing Hut and Pool Pavilion.

Dining

EXCEPTIONAL DINING AND SERVICE SECOND TO NONE

From our Executive Chef to our culinary and service staff, each and every dining experience at the Club promises to be delicious and delightful, imaginative and extraordinary. Join us for an informal get together in our Mixed Grille, our friendly and courteous staff will provide every attention to detail with service appreciated for generations by our Members and their guests. Our Donald Ross Lounge overlooking the 18th green provides a casual atmosphere for both lunch and dinner year round. The Terrace Room, a favorite of many Members, is both warm and welcoming for dinner any time of the year. Additional dining areas for private parties and Member's dining inside and out provide many choices in enjoying the Club.

Golf

CENTRAL PENNSYLVANIA'S ONLY DONALD ROSS-DESIGNED COURSE

Donald James Ross was arguably the most influential golf course designer in the history of the sport. He was involved in designing and redesigning around 600 courses from 1900 to 1948, laying the foundation for America's golf industry. Those courses include the likes of Pinehurst #2, Seminole Golf Club, Oak Hill and Aronimink Golf Club to name a few. In May of 1926, the Country Club of York chose Donald Ross and Associates to design its golf course located on "Crows Nest." Today, we benefit from the course's classical layout, which rolls through the hills of York providing unique views of the surrounding farmlands. Our championship golf course, highlighted by our deep-faced bunkers and signature Ross-styled green complexes, has played host to numerous national, state, and regional championships. Our rich history includes hosting the 1974 Pennsylvania Women's Amateur, 1989 Pennsylvania Open, 1994 Pennsylvania Mid-Am, 1999 U.S. Junior Amateur Championship won by Hunter Mahan, 2011 Pennsylvania Women's Amateur, 2012 Women's Eastern Amateur, four U.S. Women's Amateur Qualifiers, the 2014 Pennsylvania Open, and one Men's U.S. Open Qualifier. Though the golf course is often in championship condition, the course is playable for all levels of players and provides numerous sets of tees for our golfers to enjoy.

In addition, the Country Club of York Golf Professional Staff manages a wide-ranging golf program designed to enhance our members' golf experience. In particular, there is a vibrant Men's Association, an 18-Hole Women's Association, a 9-Holers Women's Group, monthly Mixed Golf events, and a far-reaching Junior Golf Program. In addition to events and tournaments, our staff of highly-trained PGA Professionals provides comprehensive club fitting and instructional programs for our beginner golfers through our championship competitors. They provide FlightScope radar analysis, certified fitting sessions, video instruction and comparison, golf specific fitness evaluations, on-course playing lessons, and expert club repair.
