

Member Testimonials

Check out what a few of our members have to say:

"We had really high standards when considering a club membership. We work hard and desired a haven to unwind and enjoy the experience of being served well. CCY has exceeded our demanding expectations. The club leadership has assembled a staff of friendly employees that know your name and actually care that you have a good experience on every visit. When you add in a spectacular / unique golf course, platform tennis, excellent food, interesting events, friendly members and a beautiful setting, CCY checks every box".

"After going to CCY as a guest a few times with friends. And after experiencing the fantastic food and level of service that set CCY apart from other local clubs, applying for membership was an easy decision. We continue to enjoy the club and all it has to offer on a regular basis. We have had a few catered events and have been very impressed with the level of attention to quality and detail that CCY continues to offer".

"As I reflect on the factors that drove me to join CCY, I can't help but think about the rich history, outstanding facilities, and exceptional dining opportunities that are hallmarks of our club. However, it is the way the staff makes me feel that keeps me coming back. From the welcoming team member that greets you the moment you arrive, the food & beverage server that knows your special requests, and/or the golf pro that genuinely wants to make your day special on our fabled Donald Ross course, everyone is always friendly, courteous, and attentive. That is what I enjoy most about our club!

"We have been proud members since 2014. Prior to joining, we were invited to various events held at the club. The more we attended, the more we fell in love with this special place. From our first visit, we knew CCY met all of our credentials and was the perfect fit for our family – a professional staff, great golf course, fine dining experience, and a variety of activities and events. CCY continuously strives to develop our team and facility in order to provide an exemplary experience for all of our members and their families. It has truly been a remarkable experience being a member.

"Hard to believe it was 1984 when we joined CCY. We were 31 and 29 years of age and about ready to welcome our first of three daughters into the world. We were looking for a social opportunity where we could spend time with family and friends and develop personal and business relationships. We were familiar with CCY as Cindy's parents were members and we had numerous opportunities to experience the wonderful amenities it had to offer, including having our wedding reception there. We knew CCY was an outstanding club that we wanted to join and when the club opened 25 junior memberships in 1984, we seized the opportunity. Looking back, after raising our three daughters at the club and considering all of the great friends we made, it was one of the best decisions we made at a relatively young age. We sincerely value our CCY membership!"
